In consequence of Notice given to Mr. Woodhouse and Miss Claypoole, to remove from their Respective Houses on 1 March next in order to repair them, the following letter was sent to the Committee on 24 Octr accompanied by the Key of Miss Claypoole's House.

"The Daughters of the deceased Joseph Claypoole give up the Key of the House No. 4 South Front Street to Peter De Haven Saml. Wheeler Thomas Cumston Peter Browne, — and Ephraim Clark, Committee for Christ Church Hospital, an Institution endow'd for Charitable purposes, — Pity there is not Men to be found in the Society capable of Strictly fulfilling the intention of the worthy founder.

But as Fortune is very fickle and as Smiling prosperity has for some years attended the Men to whom this paper is addressed probably they may e'er the Close of life experience a Reverse of Fortune

They had therefore better before they proceed any further in a business which will be a lasting disgrace to them Pause and Reflect how they would like their Orphan Children turn'd out of Doors were they were getting a living by honest industry, to add to the Coffers of unfeeling Prosperity" which was answerd in the following manner —

To the daughters of Joseph Claypoole d

Ladies

Your Letter without a date accompanied by the Key of the House which you lately Occupied was received by the Committee of Christ Church Hospital on the 24 October

Indisposition in the Families of a part of the Committee is the only Apology for not Answering it earlier

You say "that it is a pity that Men cannot be found in the Society capable of Strictly fulfilling the Intentions of the Worthy founder"

In answer to this part we have to Regret that we did not earlier give you Notice to move out of the House, that more Justice might be extended to others; for you ought to know and feel that Tenderness to your Aged Parent whose Circumstances were not the best, was the Sole Motive for the long indulgence extended to him, in Suffering him to remain in the House for ten Years at four hundred dollars while five hundred or five hundred & fifty dollars might have been had besides the repairs

Your Next paragraph is a Complaint against the fickleness of Fortune

reminding us that we may ere the Close of Life experience a Reverse

this looks like any thing but a Christian like Temper & seems rather to wish it may happen — If there is any crime imputable to us, it must be of Inattention to the Interest of the Institution of which we have the Care in suffering you to remain so long at the reduced Rent and not want of Justice to Orphans, for as it Regards them we have done works of Super-erogation in giving Seven Months Notice when three Months only was Necessary, besides having extended to you the Indulgence granted to your deceased Father.

In Order to do you Ample Justice we have placed your Letter on the Minutes of the Institution to shew to Posterity that such Orphans did live and were capable of writing such a Letter.

ETERNITY.

Onward, onward—You are hastening to Eternity as fast as Time can fly. Another moment is past, and you are nearer to Death and Judgment—to Heaven or to Hell. Have you ever seriously thought of this solemn word **ETERNITY**—for ever and ever? You would consider that person guilty of extreme folly, who, for the pleasures of an hour, would sacrifice the comforts of a life; yet he is wise, compared with the individual, who, for the pleasures of Time, gives up the joys of Eternity. The present Time is of infinite importance. Do not neglect it. You are now warned—you are now living—mercy is now offered. "Seek ye the Lord while he may be found, call ye upon him while he is near: let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon." *Isaiah*, lv. 6, 7.

Published by the American Tract Society, and sold at their Depository, No. 150 Nassau-street, New-York; and by Agents of the Society, its Branches and Auxiliaries, in the principal cities and towns in the United States. No. 10.
